Dear Participant,

Below is a list of your results and enclosed are certificates for any of your wines that won a medal. Full reviews of these wines are posted on the web at www.tastings.com and can be searched for free by consumers worldwide using our extensive online databases. You and your US importer will also receive PDFs of certificates, point-of-sale shelftalkers, and "sell sheets" to use in the promotion and marketing of your wines. All at no additional charge.

Please note that products scoring below 80 points are designated "NR" for not recommended, and thus no certificate is given.
